If you are looking to recognize, reward or simply thank your honorees, speakers and participants, we'd love the opportunity to help.

What We Do

Create. Curate. Elevate.

From the world's best jewelry and watch designers to apparel, electronics and other fine gifts, we can create and curate a collection of gifts that perfectly represents your people, culture and values.

CONFERENCE AND EVENT GIFTS

There are opportunities aplenty during conferences and special events to thank and recognize honorees, speakers and attendees. From guest welcome gifts to post-event thank you gifts to everything in between, let us help you make a lasting impression.

INCENTIVE AND PERFORMANCE GIFTS

Looking to celebrate, incentivize or reward a job well done? Look no further. Our array of awards, trophies, jewelry and gifts can be engraved and branded for any occasion. Reasons to give include distinguished service, safety, business achievements or promotions.

RETIREMENT AND EXTRAORDINARY ACCOMPLISHMENTS

For times when a simple thank you just won't do, give the silver box with the burgundy ribbon. It speaks volumes.

How We Do It

Why Borsheims?

Luxury meets value.

We are a mighty fine jeweler but also a value-based organization, and our pricing reflects as such. We offer an everyday discount off the retail price on the majority of our products—the highly revered Borsheims Price.

We have approximately 100,000 unique items in our inventory and the ability to source thousands more.

Our unique personalization options make our extensive selection of exquisite gifts—jewelry, watches and more—an even better value.

We can engrave, ship and manage complicated orders domestically and internationally.

Because you can judge a gift by its wrapping, each gift item is packaged in our signature Borsheims silver box and burgundy ribbon—a true sign of quality and integrity.
